

Responsive repair services to keep your facilities operating at peak efficiency.

ISD Facilities Operations Service

Maintenance & Operations Service

Internal Services Department

SERVICES INCLUDE

Preventive maintenance

Preventive maintenance and repair services to ensure the safe and comfortable operation of County facilities.

Building maintenance

Expertly qualified professionals address general maintenance, carpentry, elevator, heating and air conditioning and sheet metal.

Craft services and projects

Specialty services from skilled crafts people including electricians, painters, plumbers, mechanics, carpenters and HVAC technicians.

ISD's Facilities Operations Service provides building maintenance and operations to over 200 County facilities covering more than 13 million square feet. Responsible for keeping County buildings safe, comfortable and productive for both County staff and the public, ISD provides a wide variety of maintenance in the areas of:

- Electrical services including maintenance, installation and special equipment
- Plumbing installation, assembly, inspection and repairs
- Elevator and escalator maintenance, modernization and heavy repair
- Sheet metal fabrication, welding and repair
- Carpentry including millwork, framing and wood repairs
- Heating and air conditioning maintenance and repair services

FOS MAINTENANCE & OPERATIONS BENEFITS

FAST RESPONSE TO REPAIR REQUESTS

Facilities Operations staff respond quickly to repair requests to ensure that your facility provides a safe and productive environment.

EXPERIENCE WITH COUNTY FACILITIES

Our maintenance staff have years of experience and know the County facilities we serve inside and out. We take the time – and the care – to perform repairs correctly the first time to protect County assets.

QUALITY CRAFTSMANSHIP

ISD uses materials and standards designed to extend the life of County facilities and maintain the value of your building assets.

SIMPLIFIED ADMINISTRATION

We manage maintenance and operation projects from start to finish without the need for you to bid out or have to manage sub-contractor staff to maintain your facilities.

TO REQUEST SERVICE | Call or email your District Supervisor. Visit ISD.LACOUNTY.GOV for a list of District Supervisors.
