

Assists County departments in contracting **for cost-effective services.**

ISD Purchasing and Contract Services

Contracts Services

Internal Services Department

SERVICES INCLUDE

Solicitation process assistance

Assist departments with the entire contract process for the solicitation and award of service contracts.

Bid evaluation

Develop solicitation evaluation criteria and work with departments to prepare vendor selection reports and conduct proposer/bidder conferences.

Contract compliance

Monitor contracts to ensure vendor compliance and assists in developing and securing corrective action for non-compliance with contract provisions.

In compliance with State and County laws and Board policy, ISD Contracts services helps County departments develop various contract mechanisms including Requests for Proposals, Master Agreements and Statements of Work. ISD Contracts staff also assist departments in the entire solicitation process such as meeting with proposers/bidders, evaluating proposals/bids, handling solicitation protests and drafting contract awards for presentation to the Board of Supervisors for approval. ISD Contracts services include:

- RFP specifications development, distribution and evaluation
- Scheduling and conducting proposer and bidder conferences
- Proposal/bid evaluation, selection reports development and participation in evaluating vendor proposals
- Investigation and resolution of issues related to contract compliance
- Coordinate Contractor Hearing Board, Retroactive Contract Review Committee and County Independent Review meetings

PCS CONTRACTS SERVICES BENEFITS
